The comfort series that puts a huge smile on your face!

The Boomerang effect will keep you coming back for more!

The last thing you want when you're 30-something is to move into your parents' basement and admit you blew their entire life savings... but it makes for a pretty irresistible show. Let the hilarious family feuding begin!

Boomerang is a romantic comedy about Karine and Patrick, an adorable but debt-ridden couple. Their only solution is to swallow their pride and move into Karine's parents' basement, with all the conditions and sacrifices it brings.

"We'll be out of here soon!" they declare optimistically... but will they?

"Pure Happiness !"

- Hugo Dumas, La Presse

"...An example of how intelligent humour proves to be subtly analytical. Karine and Patrick hold a distorted mirror up to all the forlorn adults of our performance-driven society, as well as the new intergenerational relationships that exist ..."

-Stéphane Baillargeon, Le Devoir, Montréal
